## Invitation and Draft Agenda of the Goose Management Group Meeting

Dear Participants,

In beginning of 2023, we met online to get informed about the outcomes of the Coperni.Goose project commissioned by the MEKUN in Schleswig-Holstein and conducted by the University of Kiel and the Chamber of Agriculture SH. Additionally, we got a presentation on the peak load management ("Rastspitzenmanagement") by the Chamber of Agriculture Lower Saxony.

Members of the WSF Goose Management Group requested an update on progress and prospects at AEWA European Goose Management Platform (EGMP). Herewith, the WSF Goose Management Group is going to invite you

**at 21 February 2023**

**from 10 – 12 hours**

**to the virtual meeting:**

<https://zoom.us/j/96006893636?pwd=bjZnaGZCWkFqYnhRTFNCS0w5SzBIUT09>

Kindest regards,

Dr. Frank Ahlhorn  
(Managing Director)

*Draft Agenda (second page)*
